

## Terms & Conditions

- 1) I/We accept the Schools Code of Behaviour entitled "Living and Working in the School Community" and all associated school policies, including the Anti Bullying policy.
- 2) In line with the code of behavior I/We understand that the Principal, on behalf of the school, may require the child to return home if, in his opinion, he considers this to be necessary and I/We acknowledge that I/We shall not be entitled to any rebate of fees or charges. I/We also agree to remove the student from School at any time if so requested by the Principal.
- 3) A minimum of a full school term's notice must be given in writing, prior to the removal of a pupil, in default of which the terms fees will be payable.
- 4) I/We confirm the school may make all necessary arrangements for the student to receive medical attention as and when it deems necessary. I/We authorize the school to bill any and all medical charges to my/our account and accept that all charges are payable within 30 days of the statement being issued by the school. I/We understand that it is the student's responsibility to ensure that any medical card, or the European Health Insurance Card for overseas students, is presented at any doctor or hospital visits. If a student neglects to present the relevant card and the school is subsequently billed for the appointment, I/We accept that this charge will then be passed to me/us to be paid in full. If a student, without the knowledge of the school staff, makes a medical appointment of any kind which is later billed to the school, I/We accept that all charges will be billed to my/our account and are payable within 30 days of the statement being issued by the school.

Permission to contact the applicant's school has been granted. I/We understand transfer will not be granted where the Principal adjudicates that, due to the transfer, other students within the school may be placed at risk.
- 6) I/We hereby assign to Newtown School the rights to use photographic images and video of the student referred to above, in printed literature and on electronic media (eg. it's website) promoting the school and its activities. This is held until the student's final term in school and, provided all fees and charges have been paid in full, it will then be refunded.

**Newtown School reserves the right to amend and update these terms and conditions**

<sup>1</sup> A student who successfully applies for and who was awarded a place as a boarder in the School will not receive any priority if at any time s/he subsequently applies to instead be enrolled as a day student. In such cases, such a student will be deemed to be making a new application and the application will be determined in accordance with this admissions policy and will be afforded the priority that applies to an applicant making an application for a day place. No account shall be taken of the fact that the applicant had been a boarder in the school. For the avoidance of all doubt, this means that an applicant who had been enrolled as a boarder in the school, who subsequently applies to be admitted as a day student, may not be successful in applying to be enrolled in the School as a day student. The boarding space held by the applicant shall not be deemed to be a day space for the purposes of his/her application.
